

CHULA VISTA FUMC *VISION 2030*

Our Purpose

The purpose of FUMCCV is to make new and stronger disciples of Jesus Christ for the transformation of the world. In the next ten years, we will spiritually form individuals, producing leaders for Christ in the world who will form more disciples of Christ and transform our community.

Our Values

- ▶ People are more important than programs & buildings
- ▶ The body of Christ is outward focused

Our Vision

In our vast & complex world it is easy to lose sight of one's place, contribution, and impact. One pebble thrown into a vast lake can create ripples all the way to the edge and somehow increase the water level. By the grace of God we will be formed as disciples and leaders, one pebble at a time.

Our world is a place of suffering and isolation for far too many people -- poverty, injustice, hatred, hunger, illness, inequality, abuse, waste -- this defines life for the majority of our world. Together, we will transform lives -- as many as we can, in all the ways we can, in all the places we can, in all the times we can, and as long as we can.

As a church we will form disciples of Christ who are whole & healthy & prepared to lead movements of Christ in their communities. We will be the pebbles that God sends forth creating the ripple effect of God's transforming love in us and through us.
