

Scripture: Luke 9:57-62, Mark 1:16-20, Acts 2:37-47

Questions to Reflect On:

1. Share about a particular call story in the Bible that you resonate with.
2. Has there been a time in life when you knew without a doubt that God was calling you to do something?
3. How can you immediately begin living into your calling, even in some small way?

Staff Transition Announcement

Jason Yamaoka will be completing his service as Director of Modern Worship here @ FUMCCV on Sunday May 29. Jason steps down amidst a very busy life as husband, father, full time employee at UCSD, graduate student pursuing his Master's Degree and more.

Jason has long been associated with the music ministries of FUMCCV as a gig musician for Pops Concerts, the drummer when we launched the Crossing Service and more. He joined the staff as the Assistant Director of Modern Worship, leading the Crossing Band, in July 2013. In the last decade Jason has filled a number of music and technology roles on staff in both part time and full time capacities. In these years the band has grown in size and quality, many musicians and sound techs have been trained, technology has been strengthened in multiple ways, the band recorded and released a Christmas album, Jason has written, recorded and released award winning music, and during the beginning stages of the pandemic when everything was virtual Jason was literally the gear that kept everything turning here at FUMCCV.

Jason's wife, Korrie Yamaoka, continues serving on staff as the Director of Choral Ministries so we suspect we will see Jason from time to time and may even see him leading a worship service as a sub. We are blessed with talented and committed musicians here at FUMCCV who will be filling the gap created by Jason's departure until a replacement is hired.

May 29th will be Jason's last Sunday on staff and following the Crossing Service there will be a reception and gathering on the quad. If you do not attend worship in the Crossing Service we invite you to swing by the Fellowship Hall to thank him for his good ministry in our midst. There will be some gifts baskets in the Narthex and Fellowship Hall where you might want to leave a card and a small gift as a sign of your appreciation for Jason's ministry.

Stephen Ministry Update

We will begin recruiting and training Stephen Ministers in mid-July. Through the month of May and June we will be sharing information with you about Stephen Ministries and ask that you pray about your possible involvement in this important ministry. This is one of the best ways to show your love and care for members of our congregation who are going through difficult times. Each week in the bulletin and Pathway there will be brief announcements about this ministry and how you can be involved.

Stephen Minister: A Life-Changing Experience

Since 1975, over 600,000 people from all walks of life have been trained as Stephen Ministers – lay caregivers who, in turn, have brought God's healing love to millions of hurting people going through difficult times in life.

These people are drawn to Stephen Ministry training by the desire to make a significant difference during a time of great need in someone's life. What often surprises them is the tremendous personal and spiritual growth they themselves experience.

If you are interested in more information or have questions about the training please email me, Daniel Munoz, at: tezzyspeaks@gmail.com
