

Food for Thought

Scripture: Acts 2:1-21

Questions to Reflect On:

1. What roles does the Holy Spirit play in our lives?
2. Can you identify a time in which you experienced the Holy Spirit in your life as an individual?
3. Can you identify a time in which you have witnessed the Holy Spirit at work in a group of people or larger community?

Staff Transitions Announcement

Aries Ramirez named Director of Youth Ministries. Aries joined the FUMCCV Staff as an Elijah Collective Intern in the Fall of 2020 working in the area of Missions. The internship gave Aries a chance to explore a variety of ministries and since the internship ended Aries has been employed on a part time basis as the Missions Coordinator and then full time as the Office Manager. During these two years Aries has been a key volunteer with the Youth Ministry including counseling at summer camp and leading the youth on the Mexico Mission Trip. Aries will be able to transition into this position already knowing the kids and already believing in the culture of FUMCCV.

Aries graduated from SDSU in 2021 with a bachelor's degree in anthropology, and is pursuing a master's degree in nonprofit leadership at USD this fall. Aries is inspired daily by his fiancé, Gaby & members of this congregation. In his free time, Aries likes to play with his dog, find his way out of escape rooms, play video games, and hang

Mildred "Milly" Razon named Office Manager. Milly comes to FUMCCV with a background in office management and after a two year hiatus from the workforce as a stay a home mom with her son. Now with lots of family in the area and a preschool on campus she is ready to jump back in. Milly will most likely be the first one to greet you in the office or on the phone and will be your point of contact for many items in the church life.

Milly Razon is a typical boy mom with a passion for keeping herself and her family happy and healthy. Becoming a mother in the middle of the pandemic resulted in her mastering the art of prioritization, multi-tasking, communication, and organization. She is incredibly resilient and adaptable, and knows what it takes to juggle multiple demands. She is ready to bring these useful skills to the office of FUMCCV and can't wait to build relationships with FUMCCV members. When she is not working she spends much of her time outdoors, exploring all that San Diego has to offer, living the slow life, and appreciating everyday.

Stephen Ministry Update

We will begin recruiting and training Stephen Ministers in mid-July. Through the month of May and June we will be sharing information with you about Stephen Ministries and ask that you pray about your possible involvement in this important ministry. This is one of the best ways to show your love and care for members of our congregation who are going through difficult times. Each week in the bulletin and Pathway there will be brief announcements about this ministry and how you can be involved.

Stephen Ministry Testimony from Dan Munoz, member FUMCCV

These past few Sundays Pastor Brian preached on the "The Calling," more specifically our call to minister to others. This is how I became a Stephen Ministry leader, by answering "The Call." I went through the training; I spent a week in Los Angeles for leadership training; and through this pandemic period mentally staying prepared to answer "The Call" once again by training, along with Pastor Brain, future Stephen Ministers. I pray now that you will answer "The Call" and join us in mid-July at our first informational meeting. Till then, I will continue publishing highlights on Stephen Ministry!

If you are interested in more information or have questions about the training please email me, Daniel Munoz, at: tezzyspeaks@gmail.com
