

Questions to Reflect On:

1. Where in creation do you feel closest to God?
2. How do you stay tuned to God's continuing creation in your life?
3. How can you participate in God's continuing creation of the world?

Stephen Ministry Update

We will begin recruiting and training Stephen Ministers in mid-July. Through the month of May and June we will be sharing information with you about Stephen Ministries and ask that you pray about your possible involvement in this important ministry. This is one of the best ways to show your love and care for members of our congregation who are going through difficult times. Each week in the bulletin and Pathway there will be brief announcements about this ministry and how you can be involved.

Stephen Ministry and the Pastor

Stephen Ministry's primary role is to be there for those in crises! But there is another benefit a Stephen Minister is there to fulfill the role of the Pastor. It is similar to the role of a fireman. Like a fireman, the Pastor answers the initial call to crises: a death in the family, a cancer diagnosis, a divorce. The Pastor is there for the spiritual and moral support. After responding to the initial call, the Pastor then needs to be there for the next crises. Like a fireman he cannot stay behind for the rebuild. It is here that the Stephen Minister steps in for the Pastor. The Stephen Minister is there to complete the healing process!

If you are interested in more information or have questions about the training please email me, Daniel Munoz, at: tezzyspeaks@gmail.com

Staff Transitions

We are excited to announce that Jennifer Fuentes will be rejoining the FUMCCV Staff as the Director of Christian Education, effective July 1. Jen will be responsible for all Children's Ministry, LIFE Groups and some administrative guidance for membership and the Elijah Collective SDSU Internship Ministry. If you are saying, "didn't Jen just leave the staff for a different job," you are right and here is a little bit of Jen's explanation about her professional desires.

I understand it is odd and unusual to receive this announcement stating that I am joining the staff again in July, after learning of my resignation just this past March. As you are fully aware, things in life don't always go as planned, and I have considered myself in a period of discernment as of late. During this time, it has become clear to me that my calling is to work in a professional environment in which I can also practice my faith, be surrounded by other believers of Christ, and to serve children and families in my own community. I have learned how truly valuable and meaningful it is to work in a sacred space, such as FUMCCV. I am honored to be able to resume my role as Director of Christian Education and Children's Ministries. I am excited to once again be a part of a staff team and congregation that is committed to instilling love, trust, faith and hope in the youngest amongst us, and to be a part of the ongoing mission of making new and stronger disciples of Jesus Christ for transformation of the world. – Jennifer Fuentes

Kati Schmitz will be transitioning from Director of Children's Ministries to Preschool Chaplain. Kati has long expressed a desire to increase the number of hours that we staff children's ministry but she is unable to work those hours due to her family responsibilities. Now Jen will be assuming that work and Kati will transition to work with our Preschool. We have long lamented that very few of our preschool families participate in the ministries of the church.

We aim to change this and Kati will lead our efforts to seize on the great evangelistic and recruitment opportunity we have with our preschool families.

Summer Camp is an important part of every child's faith development....

A week away from the normal routines of life, immersed in nature, led by fun and passionate people....it is an experience unlike any others.

Every year we send a group of kids to elementary, Junior High and High School Camp.

Every year we also send volunteers to serve on staff and run the camps. If your kid goes to camp this summer here will be familiar faces to welcome them.

Camp registration happens online at <https://www.campcedarglen.org/summer-camp-1>.

Every child from FUMCCV gets a \$100 scholarship from the church and there are additional scholarships available as well.

Dates for summer 2022 are:
