

Food for Thought

Scripture: Genesis 1:6-8, Genesis 7:11-24

Questions to Reflect On:

1. What were your earliest understandings of God's location, appearance and work in your life?
2. Share about a season in your life when your understanding of God expanded?
2. What steps could you take in the next year that will assist you to further grow your understanding of God?

Due to rising Covid infection rates we are following the recommendation of County Public Health Officials to mandate mask wearing indoors on the FUMCCV Campus. We have masks available if you do not have one and we are still live-streaming all of our worship services if you would feel more comfortable staying home and not wearing a mask.

Coffee Fellowship on Quad

Every Sunday beginning in August we invite you to join us on the Quad in between worship services for coffee and lite refreshments. Most weeks the coffee and treats are free (donations accepted) and once a month there will be specialty coffees and treats offered for purchase as a fundraiser for the Youth Ministries.

There is seating, lawn games and usually one or two ministries will be advertising their upcoming opportunities. This is literally the center of campus and also the center of our spiritual community....it is here that you can meet people on a deeper level and learn more about how you can get involved in new ways.

Each week one family/ministry will host the fellowship, which means they will arrive a little early and made the coffee, set out some small treats they have purchased and oversee the replenishment of the refreshments throughout the fellowship. This is a pretty simple way to serve, if you would like to be included in the rotation please let us know at www.info@fumccv.org.
